- ☐ Lock your valuables in a safe within your home
- ☐ Remove any "hidden" keys
- ☐ Do not leave any valuables in the car (this includes cords!)
- ☐ Consider putting lights, TVs, or radios on timers
- ☐ Do not post about your travel plans on social media

*Did you know...about **40%** of burglaries don't involve a forced entry? Make sure you lock up every time you leave your home!*

Bike Safety Tips

- ☐ Bring your bike inside your apartment and lock it securely
- ☐ To dramatically increase your chance of recovery if your bike is stolen, register your bike with the University of California Transportation Department at 752-TAPS.
