

PICNIC DAY

TIPS AND TRICKS

ON THE
13TH

OF
APRIL

Plan ahead. Lyft, Uber, Topsy Taxi and Safe Ride may be harder than usual to obtain.

If you're participating in parties be respectful of noise. If you're not, expect extra noise.

If you choose to drink, remember to hydrate and alternate alcoholic drinks with water.

Take care of and watch out for your friends. **Aggies Act** is similar to a Good Samaritan law that protects those who call for help in the case of medical emergencies
